

## Refer to the photos

Both photos show...

In the first photo there is /  
are

In the second one I can see ...

## Compare

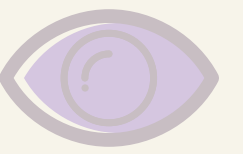

In the first picture  
...whereas in the second...

In the second photo... **On  
the other hand** in the first  
one...

## Speaking, Part 2

You will work alone 

You will see the question  
printed above the photos

You will speak for one  
minute 

Listen to your partner while  
they speak about their photo 

You will compare two pictures  
and answer a question about them

You will answer a question  
about your partner's photos

## Speculate

The women might be...

The people seem to be ...

It looks as if the people  
are...

## Answer the question

I think the people might  
have chosen this  
activity **because...**

**In my opinion** the  
reason why they chose  
this activity is that...
