

# CPE Holiday Destinations

# India

# Benidorm

# The Lake District

# Your turn!

Choose a couple of destinations in pairs. (Try to choose two which are quite different from each other.)

Create a number of sentences to describe your destination, using (but not restricted to) vocabulary from the book.

Think about the sights, the smells, the sounds etc to present the other group with a vivid mental image of your destination.

When we all have our sentences we will come together to share our ideas and try to guess the destinations.

A

D

B
