

First, look at photos **A** and **D** and tell me how common a situation like this is in your country.

**(1m)**

Now, look at all the photographs.

Imagine that one of these photos needs to be chosen for the cover of a book called "Back To Nature".

Talk together about which of these photos would be suitable as a cover photo, and which are not suitable. Then talk about another photo that would also be suitable.

**(3m)**

**A**

**B**

**C**

**D**
